Mayor Lloyd MacLean is shown here as he prepares to deliver the first rock to officially open the annual oilmen's bonspiel that was held in Drayton Valley last weekend.

Tenders to be Called for New High School

At a meeting in Drayton Valley Monday, plans were finalized for the construction of a new high school here.

Members of the School Board's building committee, Jack Tyler, Ivan Vowk and Rudolph Zander attended the meeting along with F.M.H.S. principal Richie Woods and School Superintendent, M. Holman. The architectural firm of Gardner and Woods was represented by Mr. Jack Gardner.

Minor changes in the plan were reviewed and the decision made to call for tenders on Friday, January 15th. It is hoped that construction will start early in the spring.

The school, estimated at almost $900,000., will be built on a site on the town's eastern boundary (south of St. Anthony's School). The town is co-operating with County Council in construction of the building which will serve as a recreation centre at the end of the school day.

Town and County are each putting up $50,000. toward the total cost.

Rebels Stay Two Points Off Leader

By DOUG BARNES

The Drayton Valley Rebels have won four straight over Stettler Imperials by winning two games over the weekend on Stettler's home ice.

Saturday night's game was won 5 to 1 by the Rebels. Led by another 5 point game by Belcourt with three goals and two assists. He opened the scoring at 1:09 of the first period assisted by Henry Hodgson and Jim Feeney and got his second of three at 6:30 assisted by Hodgson again. The first period ended Rebels 2, Stettler 0.

Stettler scored its only goal at 8:01 by Bob Stewart in the second period. Rebel goals came from Rick LaPointe assisted by Sam Belcourt and Ray LaPointe at 14:41 and at 18:11 Sam Belcourt finished off his hat trick assisted by Dan Davie. Second period ended Rebels 4, Imperials 1.

Only one goal was scored in the third period coming from Rebel Jim Feeney assisted by Sam Belcourt at 7:56. The Imperials came on very strong in the third period and had the pressure on Lorne Foster, Rebels goal-tender, who came up with some great saves.

Thirteen penalties were handed out, seven to stettler and six to Drayton Valley.

Sunday's game was better for the Stettler fans. The Imperials held the Rebels off until 2:30 of the second period when Ray LaPointe scored his first of 2 goals assisted by Sam Belcourt. Second period ended 1 to 0 Rebels.

Lorne Foster, Rebels' goal tender, continued to be great in the

PERMIT VALUE DOWN IN 1970

Value of building permits issued in Drayton Valley during 1970 totalled $1,056,602 compared to $1,159,136 for 1969, a reduction of $102,534.

Permit value for the month of December amounted to $1920, compared to $3500 for the same period in the previous year. The December 1970 total all involved residential building.

Council Meets in Regular Session

At the regular meeting of Town Council held December 29th a delegation of County Councillors George Mann, Rudolph Zander and Ivan Vowk were present to discuss ambulance service and contributions by participating municipalities.

The county delegation suggested an upward revision of the contribution by the Town of Drayton Valley and the County of Leduc on the premise that greatest use of the service would come from the town and imediate area.

After consideration by Council it was decided to raise the town's contribution from $2,000. annually to $2,500 for the three-year contract term. The decision appeared agreeable to the Parkland representatives who felt that Leduc County would give favorable consideration to a similar increase in its contribution.

Bids for surplus police equipment were opened for consideration. Councillor R. Mayhew noted that he had submitted a bid and left the meeting prior to the opening of the tenders.

High bids were accepted as follows: R. Mayhew, .38 Special Revolver, $53.00; Richard I. Block, .38 revolver, $31.00; and R. Mayhew, Sam Browne belt, $8.00.

A Court of Revision will be held at 10:00 a.m. on February 11th in Town Council Chambers. Appointed as members of the court were Councillors Helm, Albert, Smith, Mayhew and Huber.

After lengthy study and discussion with department heads, Council arrived at a salary schedule for town employees to be written into the town work policy for the year 1971, effective January 1st.

Rock Club Meets Today

All those interested in any aspect of the rock hobby are reminded of the organizational meeting to be held tonight (Wednesday, January 13th) at 8:00 p.m. in the Town Hall.

The meeting is open to all interested, beginners or those already active. The degree of interest shown will determine the future of the proposed club.

ALL SAINTS MEETING

The annual congregational meeting of All Saints' Anglican Church will be held Wednesday, January 20th at 8:00 p.m. in the Parish Hall. A social hour will follow the meeting, all congregation are welcome.

Six Months For Car Thefts

Fred Legrelle, 24, of Rocky Mountain House was found guilty on two charges of car theft in Magistrate's Court in Drayton Valley on January 5th. He was sentenced to six months concurrent imprisonment on each charge

The charges were laid following an R.C.M.P. investigation of a car theft at Lodgepole on New Year's Eve and a second at Drayton Valley on January 2nd.

A juvenile has also been charged with the same two offences and is to appear in court later.

Ladies', Girls' Playdowns

Girls' and ladies' zone 12 curling playdowns will be held in Drayton Valley on January 16th and 17th.

Competing in the ladies' playdowns are Whitecourt, Stony Plain, and Drayton Valley. The winner advances to the Northern Playdowns in Wainwright, January 22nd and 25th.

Competing in Girls' playdowns are Drayton Valley, Whitecourt, Mayerthorpe and Onoway. The winner advances to Northern Playdowns in Edmonton, January 30th.

Sasquatch Film To be Shown Here

One of Canada's most controversial legends, that of the Sasquatch, will be summarized in motion picture form at the Drayton Valley Junior High School on Monday, January 25th.

A 25-minute film entitled "Legend of the Sasquatch" will be shown to supplement a 90-minute outdoors movie, "Yukon Safari".

The "Sasquatch" film includes the controversial Roger Patterson footage taken in California in 1967 which purports to show an actual Sasquatch. Patterson, a resident of Yakima, Washington, is the only man claiming to have taken moving pictures of the creature.

The footage has received mixed reaction from scientists; some claim it be a hoax, and others say it is the real thing. Motion picture experts have been unable to find any fault in the film.

In true western character, construction workers who sighted the Sasquatch west of Rocky Mountain House say ours is bigger. The California Bigfoot, or Sasquatch, shown in the film is about eight feet tall. The Big Horn Dam Sasquatch is reportedly fifteen feet tall.

The Big Horn Dam sighting was the first Alberta Sasquatch report although Indians apparently have known that at least one family of five Sasquatches lives in the Windy Point region of the Kootenay Plains.

D. V. Highlights

By Mrs. Edith Deby

The Dunington Ladies Group held their fortnightley whist party at the Clarence Dunington home on Saturday evening. Winners were: High - Mrs. John Mikulin and Mr. Alex McKegg. Low- Mrs. Calvin Bartlett and Mr. Clarence Dunington. The next whist will be held in the Dunington Hall on January 23rd.

Mr. and Mrs. Clayton Rosenberger would like the young carol singers who came to their home on Christmas eve to know how much their thoughtfulness is appreciated. Mrs. Rosenberger says, "It made our day and I just wish I knew all those young people so that I could thank them personally."

Grant Jahnke, son of Mr. and Mrs. G.F. Jahnke, was here to spend the holiday with his parents. Grant is taking his masters degree in Canadian Studies at the Carleton University in Ottawa this year.

Bob Burrows must have heard that the "in" or do I mean "out" thing this winter in Drayton Valley is to be deprived of ones appendix. We understand he recovered sufficiently to do full justice to Christmas goodies.

We are sorry to have to report that Mr. and Mrs. Robert Gordon will have left town by the time this paper goes to press. Both have entered into the life of our community in a way that will make them greatly missed. Mr. Gordon is a bowler of note and an active member of the Lions Club. Mrs. Gordon was president of the Anglican Women's Auxiliary and a valued member of the Women's Institute. On Friday evening Mrs. Jack Tyler had a few of Mrs. Gordon's close friends in for a farewell visit.

Mr. Bohdan Urchyshyn had the misfortune to break several ribs when he slipped and fell on the ice recently.

Mr. and Mrs. Clayton Rosenberger's son, Barry, was home for New Year's. Barry's friend, Miss Sylvia Orenak, was a guest.

Mr. Russel Simpson has been transferred to Edmonton by his company. Mrs. Simpson and the children will be going soon. During the seven years they have lived in Drayton Valley the youth of our community has profited greatly by the Simpson's activities.

Mr. Simpson has served on the Recreation Board and the Athletic Association. He has been a hockey coach and a Cub and Scout leader.

Mrs. Simpson is perhaps best known for her interest in figure skating. She has been president of the local Figure Skating Club for the past four years and is president of the Alberta Figure Skating Association.

It is largely through Mrs. Simpson's efforts that the Summer Figure Skating School has been held here.

Thank you and good-bye, Mr. and Mrs. Simpson.

O.O.R.P. Turkey Bingo Winners

The following are the winners of the Drayton Valley O.O.R.P. Turkey Bingo held recently in the Elks Hall; --

J. Church; Mary Lauer; Mrs. S. Mohn; Elsie Maine; Dot Bowen; Rita Janishewski; Mrs. Glen Shannon; Mrs. Julie Bergquist; Gladys Schultz; Mrs. Finch; Helen Warsaba; Marie Willner; Sophie Hazzard; M. Lauer; E Mann; F. Romano; Mrs. Cropley; W. Norquay; S. Mohn; and Ann Parenteau.

Rebels Hold Second Place

Cont. from Page 1

net. The Rebels finally broke loose at 10:48 to start a four goal scoring spree.

Dan Davie broke free on a pass from Henry Hodgson. Ray La Pointe got his second goal at 14:55 assisted by Sam Belcourt. Jim Feeney scored at 17:55 from Frank Roggeveen and Doug Hall. Dan Davie scored his second goal on a break-away pass from Sam Belcourt. He went in all alone and deked the Imperials goal tender and dumped it in to finish the scoring. Lorne Foster played great in goal in both weekend games. In the last four games Barry Pankewicz and Lorne Foster have only been scored on three times and this should move them up close to the top in the goal-tending race.

Only three penalties were handed out Sunday, two to Stettler and one to Drayton Valley.

The Rebels are playing good team hockey. Playing their positions well and their shooting is good.

After Tuesday nights game against Camrose the Rebels don't play at home in a league game until January 30th and 31st when they host Fort Saskatchewan.

If the Rebels win Tuesday they will be tied for first place with the Maroons. Then they travel to Wetaskiwin on Saturday night to play the Colonels.

The Colonels are coming on strong now after a slow start. And fans, Christmas is over and no slump. Go Rebels go.

HEALTH UNIT NOTES

Early in the New Year, many school age youngsters will receive notice that their Small Pox Vaccination is due, and requesting the parents to contact the Health Unit about this.

Many parents ask why this is no longer being done at school. One of the main reasons is that, frequently a member of the household has a skin rash, in which case, no one in the household should receive a Small Pox Vaccination, as it could become very dangerous for the person who has the rash.

In other cases a child may be on, or recently discontinued a medication and the Vaccination should be delayed.

If your child has received any other immunization, either at school or from his Doctor, wait at least three weeks before having his Small Pox done.

Small Pox is the only injection which has been discontinued at School. The others: Diptheria, Tetanus and Poliomyelitis, will be carried on as usual; however; in the case of a Small Pox Vaccination, we would like to talk to the parents before doing it at the Health Unit.

Funeral Services for August Myck, Tomahawk

Mr. August Myck, a longtime resident of Tomahawk, passed away in the Drayton Valley Hospital on Friday, January 8th, following a lengthy illness. He was 84 years old.

Mr. Myck was born in Poland in 1886. He was married to Johanne Schmidt in 1913 and in 1930 they moved to Canada and settled on a farm near Tomahawk.

Besides his widow, he is survived by six sons; Gus, Willie, Paul, Gary, all of Edmonton; Carl of Calgary and Eric of Tomahawk; and by five daughters; Mrs. Elsie Scott, New Zealand; Mrs. Margaret Woloszyn, Entwistle; Mrs. Emilia Fontana, Drayton Valley; Mrs. Edna Hallet, Calgary; and Mrs. Urcey Solomon, Rocky Rapids. Also by thirty seven grandchildren and one great grandchild.

He was predeceased by five children, three in Europe and two in Canada.

Funeral services were held on Monday at Immanuel Lutheran Church in Tomahawk with Rev. Dale Mohr officiating. Interment was in the Lutheran cemetary at Tomahawk. The family requests that memorial wreaths be given to the Purple Pansy Senior Citizens Home.

FALLIS NEWS

Mr. and Mrs. Lounsberry, their daughter and granddaughter, Mrs. Vose and Kim of California motored to Meadowview to visit Mrs. Lounsberry's sister and brother-in-law, Mr. and Mrs. Charles Fluet.

Birthday wishes are extended to Debbie MacMillan who celebrated her birthday on January 14th.

Week-end visitors at the home of Mr. and Mrs. J.R. Magerison were their eldest daughter Barbara her husband Herman and their son Shawn and also Barbara's younger sister Laurie, all of Edmonton.

Bingo will be held in the Fallis Community Hall commencing at 8:00 p.m. on January 22nd.

Summary Regular Meeting
Parkland School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office Tuesday, January 5th. Minutes as recorded by the Assistant Secretary-Treasurer but not yet officially adopted by the School Committee.

Present were Messrs. George Mann, J. W. Tyler, L.N. Miller R. Zander, R.A. Bailey, Peter Bakker, R. Lent, Don Gylander, Mrs. E. P. Howery and Mrs. A. C. Kritzinger, School Committee members, also Superintendent of Schools, Mr. M. Holman and Assistant Secretary-Treasurer A.W. Boychuk.

Prior to the adoption of the minutes Mrs. A. C. Kritzinger advised that because she was absent from the December 15th meeting, she wants negative votes recorded to Resolution numbers 831 and 832. Since it was felt that was not proper she requested that her opposition to these resolutions be noted.

Mr. Stan Hodgson, Architect, came to see the School Committee regarding deficiencies at the new Spruce Grove School. He advised that, with the exception of 3 pieces of hardware and 2 electric floor plates, all deficiencies have now been rectified. The matter of inadequate heating, especially in the gymnasium was discussed at some length and Mr. Hodgson assured the Committee that this will be thoroughly investigated. It was also brought up that the public address system is not functioning satisfactorily.

It was moved and carried that the sum of $1,112.23 be paid to H.D.C. Construction on the Spruce Grove School and that the sum of $500.00 be withheld until all the deficiencies are rectified.

It was moved and carried that the bill to the Town of Drayton Valley in the amount of $164.00 for cutting grass at the new Drayton Valley school site and $28.00 for snow removal be paid.

The meeting re-convened at 1:15 p.m. with everybody present except Mr. Ivan Vowk.

It was moved and carried that the letter from Mrs. Eunice Miller be referred to administration to be dealt with in accordance with policy.

LOCATION OF WABAMUN ARENA

It was moved and carried that the report and the recommendation on the location of the proposed Wabamun arena be accepted and approved.

It was moved and carried that Mr. M. Holman be authorized to serve as Superintendent of Schools for the Drayton Valley R.C.S.S.D. No. 111 pending a formal agreement with that School Board.

It was moved and carried that the Superintendent's report be accepted.

It was moved and carried that Mrs. E. P. Howery, Mr. R. A. Bailey and Mr. L. N. Miller be delegated to act as a Building Committee for the Spruce Grove area.

Mr. Donald L. Pinckston came to see the School Committee regarding plans for the proposed Junior High School in Stony Plain. He asked for guidance on certain aspects of the plans and this matter was thoroughly reviewed and discussed. Mr. Pinckston was instructed to check on the accoustics in the gymnasium before finalizing the plans.

It was moved and carried that the progress certificate in the amount of $8,100.00 to Mr. Donald L. Pinckston be paid.

The committee presented the following report on the awarding of the Robert L. Goldsack school bus and route:

"Mrs. A.C. Kritzinger, Mr. Peter Bakker and Mr. George Mann met on Monday, December

MORE OR LESS

My clothes are shrinking! Creeping poundage is difficult to escape especially after the Christmas and New Years feasts. Festive appetites race ahead of the ability to withstand the temptation.

I've gathered together some suggestions on how to lose those extra pounds or to stay on your New Years Resolution Diet.

1. Throw out all the fattening treats (or give them away). The fewer temptations you have, the easier it is to resist "just one".
2. Eat on a small plate. You will think you are eating more than you really are.
3. Take small bites and eat slowly.
4. Exercise to relax and keep firm as you lose weight.
5. Keep busy. If you tend to nibble while you watch television, occupy your hands with knitting or take up crossword puzzles (men).
6. Don't be the "garbage can". Throw out leftovers or refrigerate for another meal.
7. Mark milestones when you have lost those extra pounds, get a new scarf to dress up an outfit you couldn't wear before; men, buy yourself a belt.
8. When the urge for candy arises, buy a penny sucker.

Fad diets do not accomplish what eating - less and doing more will. There are no safe shortcuts for healthfully taking off weight, (or miracle methods) A calorie is still a calorie, no matter what its source.

So eat a bit less -- do a bit more.

"I'M ONE OF THE TROOPS WHO FOUGHT THE WAR ON INFLATION! WHERE'S MY VETERAN'S ALLOWANCE?"

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

J.D. Henderson -- outspoken, brusque and sometimes arrogant -- is not the sort of person normally chosen for delicate political diplomacy.

Yet Premier Harry Strom has installed Mr. Henderson as provincial health minister -- a tricky job at the best of times -- and simultaneously made him the cabinet's hatchet man.

The former oil company executive now finds himself at odds with some of the strongest interest groups at work in Alberta politics, and the heat of controversy enveloping him continues to increase as the Legislative session draws nearer.

Mr. Henderson is responsible for three of the most explosive issues facing the Social Credit government: the environment, hospitals and an aggressive Conservative Opposition.

Already the battle lines have been drawn on the environment issue. Mr. Henderson's defence of multiple-use of wilderness lands has earned him widespread criticism from conservationist groups.

His opponents say a former oil man is the wrong man to be in charge of creating a new environmental improvement department, even though Mr. Henderson came down hard on petroleum companies guilty of oilfield pollution last summer.

Mounting public concern about the environment probably has made pollution the most sensitive issue the Social Credit government must tackle. Everyone is against pollution, and governments everywhere are expected to lead the fight against it and bear the responsibility for it.

Never one to back down from an argument, Mr. Henderson has come out swinging against those who criticize Alberta's record in the field of pollution control. During the last Legislative session, he delivered a marathon speech outlining air, water and soil protection standards enforced by the health department. Needless to say, public opposition didn't melt away following the speech.

As if a single hot potato wasn't enough to keep Mr. Henderson occupied, the minister recently became involved in a heated debate over rising hospital costs and the need for provincial leadership in effecting economies.

He already has told hospital boards' they won't receive any increases in provincial hospital grants next year. In addition, the government plans legislation which would limit hospital boards' spending next year.

The minister has been forced to back down on other occasions. He withdrew controversial nursing council legislation last spring, and recently ran into insurmountable opposition to a closure attempt at the Baker Memorial Sanatorium in Calgary.

In the middle of all the turmoil generated by his cabinet responsibilities, Mr. Henderson also finds himself wearing the dubious mantle of hatchet man for Harry Strom.

When the pesky Conservatives talk tough in the Legislature, the health minister is supposed to talk back tougher -- and better. His debating skills have improved greatly from the days when he occupied an inconspicuous backbench place as MLA for Leduc.

But as he gains a surer foothold in the cabinet, Mr. Henderson finds the Tory attacks are increasing both in volume and intensity. Tory MLA's confide that if they could dump one cabinet minister, Mr. Henderson would be the most satisfying choice.

All of which means that if there is an explosion during the next House session, Mr. Henderson will be in the middle of it.

LETTERS TO THE EDITOR

EDITOR,
The Western Review
Dear Sir:

I have driven around Drayton a lot in the past few months. I have lived in other towns larger and smaller. I have yet to see a place that allows the dog population to have the run of the town like the council does here.

In the summer they use your yard for a dump ground, you have to fence your trees and shrubs to get them to live, they run over your garden and urinate on whatever is handy. You have to go over your lawn and shovel the dog manure off your lawn before going over it with the lawn mower.

I can look out of my house any day and see from 2 to 6 dogs running the alleys or streets. This goes for the school yards as well. I was standing in the Getzinger store recently and counted 5 dogs playing in the Elementary school yard.

If one of these dogs get rabies, which could happen any day, the town would soon have lots of problems. Why make a by-law if it is not properly enforced.

Fed up with dogs.

Tax Payer

Editor,
The Western Review
Dear Sir:

In order to tell part of the history of Alberta, the Glenbow Museum in Calgary is planning an exhibition on the story of the Depression. Many of us lived through this period but younger generations have little understanding of the problems and hardships of the 1930's.

Glenbow is attempting to locate any artifacts or items which help tell the Depression story. These include such things as photographs of dust storms, drouth, Bennett buggies, strikes, people, etc., as well as relief vouchers, meal tickets, notices of hard-times dances, scrip for paying taxes, notices of sale of property for taxes, letters and diaries. We are also searching for appropriate artifacts such as flour sack clothing or tools and furniture made during the Depression.

We are sure that many of your readers must have items like this which they could provide for the display. We hope that they will write to: Hugh A. Dempsey, Glenbow-Alberta Institute, 902 - 11 Avenue, S.W. Calgary 3. With the help of everyone, we should be able to show what the Depression was really like.

Editorial Comment

Government Hand-out Won't Solve Youth Problem

As a Canadian taxpayer, this editor for one, would object strenuously to any proposal by the federal government to spend large sums of our money to keep young people entertained during the summer. Although unconfirmed to date, a federal program revealed in a Toronto newspaper to spend 50 million dollars to provide buses, hostels and the like to enable young people to travel free from shore to shore during the summer, is absolutely astounding.

The whole of society's "all for youth" bit is wearing a little thin. We agree that youth, too, has its problems, but they won't be solved with more give-aways and easy access to life's benefits that should be bought by hard work. Any government give-away plan will only help to speed the loss of a mighty important first principle that helped this country grow and is already sliding out of sight -- working for the things you want -- and providing an honest day's work for a day's pay.

Certainly there's nothing wrong with a desire by young people to see more of their country, but not by federal handout. It should be accomplished as the achievement of a goal, reached by working toward that end. If this process appears too slow, the armed forces are still accepting recruits with almost instant travel in the country and abroad.

Manpower Minister Otto Lang has described the Toronto report as "completely speculative". However, without elaborating, he noted that some proposals are being considered. The program under consideration is prompted by predictions that 250,000 students may be unemployed in Canada this summer.

If this is the case -- Ottawa with $50 million to spend and 250,000 employable student ready to work -- why not embark on programs of benefit to the country and the young people. Immediately we can think of on-the-job training in business and industry during the summer with Ottawa subsidizing the students as they gain experience in a variety of occupations. A federal maintenance program -- highways, parks, buildings -- could probably take a great many more out of the labor market.

It shouldn't be too difficult to come up with a variety of schemes that would greatly reduce the wandering summer population and remove the necessity of providing facilities for its care. But let's keep away from hand outs that do nothing but contribute to our crumbling social structure.

Minor Hockey Week

Minor Hockey Week is now firmly established as one of the main features of Canadian winter sports activities. It has taken its position in our Canadian way of life because of the keen desire of people in all walks of life to support participation in Canada's national sport by the youth of our nation.

Minor Hockey Week will be held this year from January 23rd to 30th and will be observed in Drayton Valley with a week-long session of activities to give residents the opportunity of seeing the results of the minor hockey program in this community. More details of the week's activities are found elsewhere in this paper and a program of events will be printed next week.

The week is set aside yearly to encourage parents to take an interest in their boys' activities and in the belief that increased participation in organized, supervised hockey will help develop better citizens. The support of all residents is solicited in making Minor Hockey Week a success.

Mr. and Mrs. Tom Booker

St. Anthony's Setting For December Ceremony

St. Anthony's Church, Drayton Valley was the scene of a lovely wedding when Lucille Margaret, daughter of Mr. and Mrs. George Comeau was united in marriage to Thomas Alvin Booker, son of Mr. and Mrs. Don Booker, all of Drayton Valley. The wedding was held Saturday, December 5th, 1970, with Reverend Father Lynch officiating. Mrs. R. Woods played the wedding music and Mr. Ritchie Woods sang a solo.

The bride, given in marriage by her father, was lovely in white velvet. The gown was styled with an empire waistline, A-line skirt, high collar and long sleeves. A bow featured the back. The floor-length veil of net and lace fell from a velvet bill-box hat. She wore cross earrings and carried a bouquet of mauve African violets and white roses.

Attending the bride were Mrs. Edwin Erickson, matron of honor, Mrs. Alfred Comeau and Mrs. John Bright.

They wore long A-line style velvet dresses with hoods, each in a different shade of green with white trim. They carried white muffs adorned with three shades of yellow roses.

Best man was Ron Schroder of Hinton, Alberta. Ushering the guests were Messrs Alfred Comeau and John Bright.

A reception followed in the Elks Hall.

The bride's mother chose a brown polyester crepe dress with V-neckline and long sleeves with white accessories and a corsage of white roses. The grooms' mother wore an off-white silver polyester dress with black accessories and white roses encorsage.

A three-tiered circular wedding cake with yellow trim and roses centered the bride's table.

For her wedding trip to Hawaii, the bride changed to a grey and red midi pant suit with black patent accessories.

The couple have made their home in Edmonton.

Guests attending from out of town were: The two grandmothers, Mrs. G. Booker of Gilson, B.C. and Mrs. O. Carruthers; Mr. and Mrs. M. Gagnier and family of St. Albert; Mr. and Mrs. R. Como and family, River Qui Barre; Mr. and Mrs. P. Carruthers of Clive, Alberta; Mr. and Mrs. L. Carruthers, Armena; Mr. and Mrs. E. Carruthers, Mr. and Mrs. V. Halun and family and Mr. and Mrs. Leo Chalifaux all of Edmonton; Mr. and Mrs. B. Crithchley and Mr. and Mrs. J. George of Bon Accord, Alberta; Mr. and Mrs. Tom Rowland, Halkirk, Alberta; Mr. and Mrs. H. Heitman, Red Deer.

Regular Meeting School Committee

Cont. from Page 3

21st at 4:00 p.m. to consider application for the R.L. Goldsack School Bus and Route. The following applications were received: Mrs. Carl P. (Norma) Baron and Mr. Isaac N. Wiebe. After some consideration the committee unanimously agreed to recommend that the route be awarded to Mrs. Norma Baron."

It was moved and carried that the foregoing report be accepted and that the route be awarded to Mrs. Carl P. (Norma) Baron as recommended by the committee.

PURCHASE OF SEBA BEACH TEACHERAGE

A letter was received from Mr. Philip Cymbaluk of Seba Beach in which he offered to purchase the teacherage he presently occupies.

It was moved and carried that Mr. Philip Cymbaluk's letter be filed until the teacherage is advertised for sale.

It was moved and carried that the School Committee do not rent plumbing equipment.

RATES FOR SPECIAL TRIPS

A complaint was received from some school bus operators regarding rates for special trips of Home Economics and Shop.

It was moved and carried that the School Committee adhere to the present schedule for rates for special trips.

It wasx moved and carried that Mr. William Wickware be asked to contact the Superintendent to review rates on his school buses.

REPORT OF POLICY COMMITTEE

The Policy Committee, at the request of the School Committee has incorporated the following resolution No. 831 "A student charged by police with possession shall not be allowed to return to regular classes until he and his parents have had the matter reviewed with the Principal. The student may be suspended if his behaviour is detrimental to the moral well-being of the school -- into the regulations dealing with "Misuse of Drugs".

This committee feels that this resolution is unneccessary as Principals already have full powers to deal with student's behaviour under the Suspension & Expulsion of Students Policy which reads "Grounds for Suspension -- Where the behaviour of a pupil is detrimental to the moral tone and well being of the school the Principal may suspend a pupil from (a) class (b) school (c) riding a school bus."

It was moved that the foregoing report of the Policy Committee be accepted. Motion lost.

Mrs. A.C. Kritzinger presented the following report:

MINORITY REPORT

Resolution No. 832 (15 Dec. 1970)

"A student charged by police with an indictable offence shall not be allowed to return to regular classes until he and his parents have had the matter reviewed with the Principal."

I disagree with this motion which I feel was hasty and ill-advised. Notice of motion should have been given so that members of the School Committee had time to consider the implications, legal and otherwise. No mention is made in the motion of offences punishable on summary conviction only.

I also feel that the School Committee members are setting themselves up as judge and jury. The concept of innocence until proof of guilt is basic to our law and to our rights as individuals.

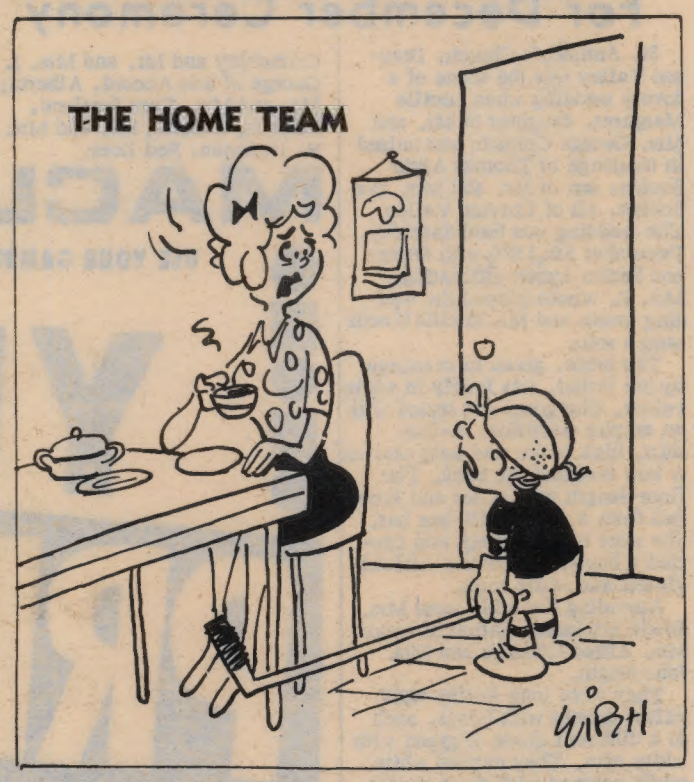
The Principals of our schools have full powers under our suspension policy to suspend a student and I personally feel this motion was unneccessary.

It was moved that Resolution No. 832 be held in abeyance until the Superintendent has checked into the necessity for such a motion and the County lawyers have been consulted. Motion lost.

It was moved and carried that the subscriptions to the A.S.T.A. magazine be renewed.

It was moved and carried that the report on the meeting of the School Bus Operators held in Seba Beach on December 4, 1970 together with the comparison of school bus rates be tabled for information.

The following items were presented to the School Committee for information and ordered filed:
(a) Progress report on the library in the new Spruce Grove School.
(b) A.S.T.A. Newsletter.
(c) Letter of thanks - Mr. Walter E.V. Kupsch - re use of gymnasium.
(d) Letter of appreciation - Mr. Wm. J. Anderson, Principal of the Seba Beach School.



"I was very polite. I used 'sir' at the end of my discussion with the ref, and he gave me 10 minutes anyway!"

MAGNOLIA NEWS

Among the many welcome guests who visited our community during the holidays was one most unwelcome one, namely the "flu". Several folks have had it and while they are not sick for long they sure feel ill while it lasts. This tiny yet powerful enemy is still skulking around hunting for more innocent victims.

Mark and Sofie Chechotko with their family visted Mrs. Woloszyn, Sofie's mother at Brightwood for New Years Eve.

Allan and Brenda Walker and family welcomed a Saturday visit on January 2nd from Herb and Jane Walker and family of Smith. Also George and Peggy Ross with their children of Edson.

John and Ruby Brown had Mr. and Mrs. Christensen as their New Years dinner guests. Eric Brown left on Monday, January 4th to continue the work at Blue River, B.C.

Betty McDougal, Don Pete with Liz Kmyta and her young folks motored to Entrance to see Jack, Ruth and Lorna McDougal on January 1st.

Two local gentlemen, Fred Sorensen and Wes Lambert were guests of Mr. Churchill for New Years day.

Mrs. Jenny MacLeod, Art Campbell, Mr. and Mrs. Charles Anderson, Ed and Ada; Mr. and Mrs. C. May; Fraser Anderson and his two daughters were welcome visitors with the W. Campbells on New Years Day. January 3rd brought two more welcome guests, Mr. E. Wade and Miss Wade of Edmonton to visit for a short time.

Mr. and Mrs. C. June and family were entertained by Jessie and Ernie Williams on January 1st.

Town Invited to Enter North-Am at Wetaskiwin

The Town of Drayton Valley has been invited to sponsor a contestant in the Shrine International North-Am Snowmobile Races at Wetaskiwin February 5 to 7.

The invitation is contained in a letter to Mayor MacLean and town council from H. A. Taylor of Calgary, Illustrious Potentate of the Shriners of Alberta.

Pointing put that net proceeds from the three-day races will go toward the Shrine hospitals for crippled children, Mr. Taylor said the goal is to raise $100,000 to aid the Shriners in their rehabilitative efforts.

The entry fee is $250 per machine. Each sponsored snowmobile will carry the name of the sponsoring community. The North-Am committee will arrange the driver and machine, if required or a community can put up its own, Mr. Taylor added.

The Shrine invitation has gone to 30 selected towns and cities in Alberta including Edmonton, Calgary, Red Deer, Medicine Hat, Grande Prairie, Camrose, Edson, Stony Plain, Leduc, Barrhead, Westlock, Fort Saskatchewan, Viking, Vegreville, St. Paul, etc.

The North-Am International is the richest snowmobile event in the world, offering up to $70,000 in prize money. It is the only race of its kind sanctioned by the Shrine in North America.

Communities will be entitled to any prize money won in the races by the machines they sponsor, Mr. Taylor noted.

BUCK LAKE NEWS

Christmas Day guests of Joe and Ann Belcourt were Ruby and Dewey Woods; Joyce and Don Belcourt and family and George and Julie Berquest and family of Drayton Valley.

Alex Goodkey spent the day with his brother Jack Goodkey and family of Winfield.

Carol and George Fontaine and Lloyd Walker had as Christmas Dinner guests at the Hotel Cafe, the Senior Citizens of Buck Lake -- a very thoughtful gesture.

Dolores Berezansky and family of Edmonton spent the Christmas holiday at Buck Lake.

Larry and Caroline Hagglund were out from Edmonton, and attended the Christmas Dance at the Rec. Centre, Saturday, Dec. ember 26th. Our centre was crowded to capacity -- we could use a little more room there.

Cathy Brzus has the worst luck, she fell Christmas Eve while trying out her new figure skates and broke her right arm -- same arm and same place as before.

Rudy, Vera and family went to Drayton Valley Monday to have Cathy's arm checked.

Guests at the home of Gilbert and Marg Siegel for Christmas and Boxing Day were his son Earl and Maneta Siegel, daughter Carol and friend Ralph Green, all of Calgary.

Mrs. Anna Foster spent a few days in Rimbey Hospital, she was discharged in time to spend Christmas with her family. Miss Wendy Foster, who had been working in Calgary, left her job to keep house for her mother and spend Christmas at home.

George and Barbara McLeod and boys motored to Delburne, Alberta to spend Christmas Day with their son Bob and Miriam McLeod, and family. Bob and Miriam and family were the lucky recipients of a Snowmobile for Christmas from her family.

At Rudy and Vera Brzus' on Christmas Day were his sister Lucy and Martin Bettamini and his father and mother, Mr. and Mrs. Leon Brzus. Vera was expecting her father and mother, Mr. and Mrs. Eastwood, of Ponoka, but due to the drifting roads, were unable to be there.

Mrs. Nancy Wasyk went with her daughter Olga and Allen Dahl of Edmonton to visit her other daughters at Whitelaw and Manning, Alberta and at Dawson Creek, B.C. She left December 24th and returned the evening of December 28th. Spending Christmas with Mr. and Mrs. Harry Wasyk and Nick, Edna and family was his son Alex Wasyk and girls of Creston, B.C. They also visited with friends in the district for a few days. Mr. and Mrs. A. Kellgren (Arvid and Patsy) nee Wasyk, of Drayton Valley were Christmas guests at the home of her parents, Nick and Edna Wasyk and family.

Sunny and Carol Siegel and family had as Christmas dinner guests, Al and Connie McLeon and family of Alder Flats.

The Christmas Dance at the Rec. Centre December 26th and the New Year's Eve Dance December 31st, were both very well attended and enjoyed by all those who were present.

Winfield Boys' Hockey Team played Buck Lake Boys on home ice, Sunday, January 3rd. Winfield boys won 8 to 1.

George Fontaine and his Orchestra played for a well attended New Year's Eve dance at Breton.

The Weston Bouck family spent New Years Day at Drayton Valley with John and Phyllis Larsen and family. Also present was Phyllis's sister and family, Evelyn, Morris and Ronnie Wardrop of Terrace, B.C. and Mr. and Mrs. Ken Elder Bernadette and Belinda and Dick Laclure of Drayton Valley.

Ron Foster family had their daughter Joanne and family of Breton home for Christmas. Jim Foster motored to Cremona to spend Christmas with relatives there.

The Ron Frickie family spent Christmas Day in Wetaskiwin with Mr. Frickie and daughter, Pat Kelso and family.

Pete and Kathleen Koss and Kathy had the rest of the family at home for Christmas.

The pipeline workers are starting back to work Monday, January 4th after being on holiday for Christmas and New Years.

School also started Monday, January 4th after a vacation of 16 days.

Guests for three days at Christmas at the home of Sig and Leopal Larson and family were Mr. and Mrs. Chris Wood of Calgary. Bonnie Wood is Sigs' neice the former Bonnie Machell of Matsqui, B.C.

Sig, Le and family spent New Years Day at Le's parents, Mr. and Mrs. Russell Paivers of Winfield.

The hockey game at Buck Lake between Buck Lake, Alder Flats and Rimbey had to be cancelled due to a breakdown of the Rimbey bus.

LODGEPOLE NEWS

Everyone seems to have recovered from the festive season and have settled down to a sober pace again. The New Years Frolic brought out a record number of guests.

Mr. and Mrs. Roger Nelson and sons moved to their new home in Drayton Valley in time for the holiday.

Mrs. M. Allen is home after spending a few days in hospital in Edmonton.

Mrs. G. Pederson spent a week visiting relatives at Churchbridge, Saskatchewan.

A veterinarian will be at the town office on Saturday January 17th from 2 to 4 p.m. to give rabies shots to pets. Have your pet on a leash. There is a charge of $5.00.

Warriors Chalk up Third League Victory

The FMHS Warrior basketball squad made it three league victories in a row as they travelled to Stony Plain and came home 77 - 48 victors. It was the young Warriors that led the team in this one. Rookie Blair Ibbotson led the team on the scoreboard and on the floor as he hustled to a fine 18 point performance. Another rookie hit for 15, by the name of Gerald Dusterhoft. Gerald hit 7 straight field shots and didn't miss until the fourth quarter. Another Dusterhoft, Ken, played his best game of the season as he came up with a terrific 16 point performance playing only half the game. Barry Swap, another young Warrior added another 12 points to the team total as he played away from his usual guard position for awhile and moved into the left forward slot and showed a good scoring performance. Young Jim McKillop again showed that he is going to be a real good ball player as he took Barry Swap's position as left guard.

For Stony Plain, Doug Nordland showed some excellent shooting as he led both teams with an excellent 21 point effort. Mike Minclau followed with 11 points.

The Warriors will be playing their first crucial ball game as they battle the strong Concordia College squad for first place this Friday evening in Edmonton.

A spectator bus is being organized for this one and the FMHS team will need all the support it can get for this one as they carry their school colors to what should be a great ball game.

We choose our barley malt as carefully as you choose your beer.

"Good enough" malt just isn't good enough for Calgary Export Lager Beer. So our brewmaster, who loves his beer, selects his barley malts with the devoted care of a true connoisseur. Are they properly crisp yet tender? Have they the right, slightly mellow flavour? Our brewmaster won't take no for an answer. He won't compromise on the ingredients that go into his beer, so you won't have to compromise on the flavour that pours out of every bottle of Calgary Export Lager. It's good. Always good. Because we're not satisfied with just "good enough".

Below, Brewmaster A. J. Kerr and Assistant Brewer R. Piesanen visually inspect malting barley before lab quality tests begin.

Talent Search Here in February

Second half of the 24th Annual Season of Search for Talent resumes with a show at Barrhead January 16th.

The fall series of shows held at Mayerthorpe, Provost, Viking, Evansburg, Boyle, Ponoka and Wainwright were successful and enthusiasm of organizations sponsoring the 1971 shows indicate continued success this season, Mr. Blondheim stated.

One week later Search For Talent goes to Leduc sponsored by the Elks Lodge then on to Lac La Biche under the auspices of the Centenettes. On February 6th it's Drayton Valley as guests of the Legion Auxiliary, followed by Athabasca sponsored by the Lions and Two Hills as guests of the Chamber of Commerce.

Mrs. I. Mussel Contest Winner

Mrs. Irene Mussel of Buck Creek was the lucky winner of the Speed Queen super-twin portable washer-dryer in the recent coin guessing contest at Coin Electric Home Centre.

The draw was made at the Home Centre on December 24th with Mrs. Mussel's guess of 1480 closest to the actual total of 1472 coins.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

This week we welcome to our staff Miss Sheila Douglas who is taking over Mrs. Colbert's Special Education Class. Miss Douglas took all her education and training in England where she taught for a dozen years. After coming to Canada she taught at Keg River for three years. In her spare time Miss Douglas can be found traveling around the country in her truck camper. She enjoys photography and one of her prize possessions is her pug dog. Welcome to Drayton Valley.

And here is some news from England from the Trows. Mrs. Trow taught grade one here last year. They are proud parents of a 9 lb. 5 oz. baby boy. Guess this baby is a "Made in Canada" product.

LIBRARY NEWS

"Antique Collectors' Dictionary" by Donald Cowie and Keith Henshaw is quite a fascinating book. A casual browsing turned up such terms as "Witch Ball", "Vitrine", "Wag-on-the-Wall", "Tobyjug", "Stirrip Cup", "Snaphaunce", "Mazer", "Lenticle" and many others. By the way, do you suppose "The Queen Anne Leg" got its name because of its resemblance to the underpinnings of that monarch?

The Hudson's Bay Company has donated a three volume history of that illustrious company.

As usual "The National Geographic" will be available. The January number is already here.

Also newly arrived is the January edition of Consumer Report.

A large number of new books is on order and it is hoped mid-January will see many interesting additions to our collection.

Thanks to Miss Louise Bouffard and Mrs. Robert Gordon for their donations of books to the Drayton Valley Municipal Library. The books are in new condition and will be popular with our readers.

Tractor Club Regular Meet

The fifth regular meeting of the 16A 4-H Tractor Club was held on January 6th at the home of Mr. and Mrs. M. Bruner.

The tickets for the ice-capades have been purchased. Since we are going with three other clubs, there are about forty members and leaders going and the cost of bus fare has been reduced greatly.

After all of our business was taken care of, we did our books. Mr. Mazeppa brought a thermometer and a few valves and a water-temperature gauge and some experiments were conducted.

A delicious lunch was served by a few of the members following the meeting.

DATSUN 1000

$ from 1845

SUGGESTED RETAIL PRICE, PORT OF ENTRY VANCOUVER, TORONTO, MONTREAL, HALIFAX

You think maybe we left something out?

Only the radio is extra. Go ahead, spend a little.

Check the list. Datsun 1000 has everything — and then some. It runs like a sports car, rides like a big car, sips gas like a cigarette lighter and wears like a tank.

You can get 100,000 miles between major overhauls, 12,000 between grease jobs, 84 mph. and up to 40 miles to the gallon. The whole neat little package moves out like a jackrabbit, corners on rails and stops on a nickel. And all this goodness comes in a choice of two or four doors, with room for four big people or five skinny ones.

With Datsun reliability, you won't see the inside of many service departments, but there are more than 200, coast-to-coast. With over three million dollars' worth of parts.

The only thing Datsun 1000 needs is someone to love it. Someone like you.

Datsun 1000. There are plenty of cars in its price range. But nothing in its class.

Datsun 1000 is called the more-for-your-money car. And now you know why.

There's a Datsun for you: 1000 2-Door and 4-Door Deluxe Sedans. 1600 2-Door and 4-Door Deluxe Sedans and Wagon. 240-Z Sports, 1600 and 2000 Sports. 1600 Pickup.

Over 800 Datsun dealers in North America. Nissan Automobile Co. (Canada) Ltd. factory zone offices and parts depots at: Vancouver, Toronto, Montreal, Halifax.

ENTWISTLE NEWS

Some of the ones who were seen here for Christmas were Sandra and Jim Smalengurg, Shirley, Wendy and Eldon Ostershek, Russell Miller, Valerie and Rick Peden all from Edmonton. Emerson and Judy Jevne and son from Lethbridge, Gary Gylander from Red Deer, Todd and Jay Sumner of Whitecourt, Mary Sinclair, Bonnie and husband, Iris Shelton and children from Peers, Penny Smoley and Terry Boles was here for a few days around Christmas.

The annual Senior Citizen's supper was held on December 29 with 42 present. Carols were sung then the Elks and the O.O.R.P. had a national costume parade and a skit called "The King's Tooth". Names were drawn for gifts and those receiving the gifts were ladies' -- Muriel Johnston and mens -- Jim Reid. Mr. Gylander thanked all the ladies for their lovely supper and their generosity. Out of town citizens that were present were Mrs. Hanson Sr., Mr. and Mrs. Pete Nilsen and Mr. Churchill of Magnolia.

Some of those who were away for Christmas day were: Mr. and Mrs. Dawson Smith; Mr. and Mrs. B. Ganske and daughter, Mr. and Mrs. Willoughby and family; Mr. and Mrs. H. Johnston, and the Olivers.

Rick Harrison won on a raffle which was held at Evansburg during the holidays.

Little Wendy Ostertag celebrated her third birthday on January 3rd. She also helped her dad celebrate his.

The award winners for grades 9 and 12 in the Entwistle and Evansburg schools were -- Top honors, winning plaque and "H" awards - Norma Rosadiuk, Lloyd Burke and Pat Smith tied and each received a plaque and H award.

H award students only -- Peter Barabash, Victoria Demkiw, Darleen Durant, Fern Fausak, Barbara Lieniw, Carol Saxer, Beth Tucker, Russell Vinall, Rodney Hoople, and Ronald Adashynski.

The Entwistle Elks New Years Eve Dance was very well attended and it was so nice to see so many people that used to live here. Lunch was served before the evening broke up and all seemed to have a very good time. We were glad to see many friends from Edmonton, Drayton Valley, Cynthia, and Evansburg. Everyone was happy to see Ruby and Lefty Leyden from Penticton B.C. who were here at the Millers over New Years day before leaving on January 2nd for the coast.

Carrie and Joanne LaRose of Saskatchewan were here for the New Year weekend and visiting with Foley, Mavis and Rick Lynn and Rex LaRose.

The Entwistle Curling Club raffle of a 1963 Ford Falcon was won by Gordon McEachren of Evansburg and a hog was won by Walter Sweet of Drayton Valley.

Michael Blades and Wendy Ostertag attended a birthday party of Tracey Ferguson on December 23rd.

Winter classes for Physical Culture (Keep Fit) will commence on the week of January 18.

Registration for this class will be held in the Entwistle community Hall on Wednesday -- January 13th from 7:30 to 8:30 p.m.

Other winter classes will be programmed to commence the middle of February. Notice will be given later.

Further inquires? Call S. Blades at 727-3776.

May I take this opportunity to wish all my readers a happy and prosperous new year.

Jr. High Notes

Plans are being made for an Outdoors Film to be presented on Monday, January 25th. The Students Union is sponsoring two films, Yukon Safari and The Sasquatch. More details elsewhere in the paper.

Last Thursday saw the start of the newly formed Pembina Junior High Basketball League. Drayton Valley Junior High were at home to their arch-rivals St. Anthony's. The girls' game was very close, and ended in a 18 - 18 tie with St. Anthony's missing a free throw in the last second of the game. Top scorers for Drayton Valley Ookpiks were Charlene Wilkes with 6 points and Darlene Negraiff 4 points, and for St. Anthony's Angels, Joanne Teeter scored 11 points.

The boys' game was a hard fought battle with both teams playing excellent basketball. The half-time score was 27-26 in favour of the St. Anthony's and the teams were tied at the end of the 3rd period. However, the Huskies pulled out all stops in the final period and outscored St. Anthony's 16 to 4 to win the game 42 - 31. Top scorers for the Huskies were Ken Cameron with 18 points and Ed Cargill with 16 points. For St. Anthony's Darcy Galvin with 10 points, Barry Argent with 7 points and Bill Demmers with 6 points.

The only other game scheduled for Thursday - Warburg vs. Devon, was postponed because of bad weather.

League action continues on January 12th with St. Anthony's travelling to Breton and on January 14th, the D.V. Junior High travel to Devon.

Specialist Reviews Cattle Outlook

Choice steer prices are expected to be similar to those of 1970 with a tendency towards a lower rather than a higher level.

Roy Humanen, marketing specialist with the Alberta economics division, says that choice steer prices could be around $32 a hundredweight (Calgary) in the spring, and then decline to about $28 per hundredweight in the fall. He believes that the relative shortage of yearlings last fall will keep prices up for the first half of this year, but that they are likely to weaken when the 1970 calf crop comes on the market as finished cattle in the fall of 1971. There could be some strengthening again later in the year due to a leveling out of marketings.

Cattle numbers are increasing, but beef output will not be significantly higher in 1971. Cow slaughter as a percentage of total slaughter was 26.7 per cent in 1968, 23.0 per cent in 1969 and is currently running at 21.2 per cent. Heifer slaughter was up slightly in 1969 over 1968 levels, but approximately 11 per cent fewer heifers were slaughtered in 1970 compared with 1969. These figures indicate that cows and heifers are being withheld to increase the rate of expansion in beef cattle numbers.

Short term additions to supply, says Mr. Humanen, are coming from reduced calf slaughter, reduced cattle exports to the U.S. and occasionally from imports of U.S. cattle for immediate slaughter. Calf slaughter was reduced by approximately 13 per cent last year compared with 1969 and cattle exports were reduced by approximately 52 per cent in the same period.

Feeder cattle prices are expected to average a little lower in 1971 than in 1970 according to Mr. Humanen. The lower prices will result mainly from a larger supply of feeder cattle and higher feed costs. Good feeder steer prices at Calgary are expected to average around $30 per hundredweight well into 1971, representing a $3 to $4 decrease from the corresponding period in 1970. Good steer calves will decrease from the corresponding period in 1970. Good steer calves will also be under pressure, and may do well to average $37 to $38 per hundredweight. Competition from farmer feeders for available feeder cattle supplies is not likely to be as intense in 1971 as it was during the last two years, because of the possibility of good grain sales.

Mr. Humanen says that it is unlikely that feeder or calf prices will drop to the export floor level in 1971. With revaluation of the Canadian dollar, prices would have to decline 5 to 6 per cent in relation to past Canadian - U.S. prices before exports would become a factor. Also, Canadian demand for feeders is expected to be sufficient to keep prices above the export equivalent in the U.S.

There is also little possibility, says Mr. Humanen, that large numbers of slaughter cattle will be exported in 1971. In fact, Canada will be near, or on, an import basis during the first part of this year. Revaluation of the Canadian dollar, while reducing the return from exports, also reduces the cost of imports. Canadian prices can no longer go as high relative to U.S. prices before imports occur.

Fed cattle marketings in the U.S. are expected to increase by 3 to 5 per cent in 1971. This additional supply should be easily disposed of within the $29 to $30 price range. A yearly average price around $29 per hundredweight at Omaha for 1971 appears reasonable with relative strength in the summer months and weakness in prices appearing early and late in the year.

Warriors Defeat Whitecourt 85-64

Returning to action after a three week lay-off the FMHS Warriors travelled to Whitecourt this past Sunday and returned home with a 85 - 64 victory. Leading the Warriors were captain, Doug Ibbotson with 24 points and Ken (Wilt) Dusterhoft with 22. Also scoring for the Warriors were Larry Mattoon with 12, Barry Swap with 10, Stan Oulton with 9, Gerald Dusterhoft with 6 and Jerry Mastre with 4. Playing his first game as a Senior was Jim McKillop in the guard position and he played well and he is going to give the team more strength and heighth on the backboard. Also dressed with the Warriors was Parry Mohn, another promising young junior of coach Terry Rochwell's Pembina Warriors.

Rick Osadchuk and Terry Ostertag, a former Drayton Valley resident, hit for 19 points each for the Whitecourt five and Bob Merrifield followed with 16.

The Warriors will play their third North Central League contest on Monday, January 11th at Stony Plain, then travel to Thorsby to play the Pembina League's number one club on Wednesday and then on Friday travel to Edmonton to battle a terrific Concordia College Basketball squad for first place in the North Central Western conference. Concordia College is reported to have a lot of height and offensive power.

The Warriors scoring over their first eleven contest of which they have won eight as follows:

	Field Goals	Foul Points	Total Points
Larry Mattoon	75	17	167
Doug Ibbotson	62	40	164
Ken Dusterhoft	57	27	141
Blair Ibbotson	33	12	78
Jerry Mastre	26	11	63
Barry Swap	16	15	47
Stan Oulton	14	11	39
Gerald Dusterhoft	12	1	25
Roger Hutchinson	8	1	17

1970 IN REVIEW

This last year has been a good year for both crop and livestock production in Alberta, but farm income from the sale of products continued to decline.

Hugh Bryce, agricultural statistician with the provincial economics division, reports that excellent growing conditions and good harvesting weather resulted in record yields for oats, barley, rapeseed and flaxseed. New acreage records were also established for flaxseed and rapeseed, while those for barley and oats remained approximately the same as last year. Yields for wheat and most of the other crops grown in the province were also good.

The 3.5 million head of cattle and calves recorded in 1970 is the largest number ever reported in Alberta, says Mr. Bryce, and the 33 per cent increase in hogs brings the pig population near the high of 2.2 million head recorded in 1943. The 13 per cent increase in sheep and lamb numbers represents the first increase recorded since 1961.

The outlook for grain sales was poor during the first half of 1970, and farmers were left with large stocks of unsold grain on their farms. The federal governments' LIFT program, designed to alleviate the surplus wheat situation, resulted in farmers cutting their wheat acreage in half.

Late in the summer of 1970, says Mr. Bryce, the grain sales situation improved because of poor crops in countries which are Canada's chief competitors in world grain markets. At the same time, the Canadian government increased its efforts to sell grain, and additional contracts for the export of wheat, barley, rapeseed and flaxseed began to flow in.

In spite of all the favorable production factors in 1970, farm income from the sale of agricultural products followed the declines recorded for the past two years, according to Mr. Bryce. He reports that the wheat glut is still having its effect on the prairie farm economy, and that the cash income position of Alberta farmers for 1970 is expected to be lower than it was in 1969.

However, he predicts a good year for Alberta agriculture in 1971; but warns that, because of their present cash shortage position, farmers will not begin to feel the full effects of the increased grain sales until sometimes later in the year.

RAMONA NEWS

Sincere sympathy goes to the Myck family. Mr. Myck passed away Friday at the age of 84.

Get well wishes go to Helen, David, Delbert, Kevin and Kenny Darragh who are home with the mumps. Also get well wishes go to Gen Zena and Glen Norton and Colleen Disney who have been in hospital.

We would like to thank Mike Blatkewicz and Phylip Kmyta for building three tables for the hall. Also thanks to Cecil Kelly and Vancel Swap for putting the shutter on the fan. These men donated their time and tools to help the community. Thanks again fellows.

The Ramona Community League held their annual meeting on Tuesday, January 5th. The new officers elected were: Jim Blake, President; Dora Plewis, Vice President; Jean Stewart, Secretary-Treasurer; and Marge Pollard, Pat Benjamin and Lee Darragh are the board of directors.

We decided at the meeting not to send flowers this year to members in the hospital. Instead we are going to organize a ball team for the boys of the community and buy them uniforms. Lee Darragh is going to get more information for us and it will be discussed further at our meeting on February 2nd. If you have a boy between 5 and 16 who would be interested in playing ball we urge you to attend this meeting.

We also decided to send a $5.00 donation to the Purple Pansy Fund when there is a death in the family of any member in the community.

There will be a Valentine supper and dance in the Ramona hall on Saturday, February 13th. Rosaire Parenteau will supply the music. Tickets will be $2.50 each. Only 100 tickets will be sold so reserve yours early.

The pretty aqua truck that has been going up and down the road belongs to the Mike Kmyta family. It's a nice looking truck Mike.

Industrial Possibilities

Industrial possibilities for Alberta's rural communities and the agricultural outlook, including 1971 production suggestions, will be topics of discussion at a Government of Alberta - sponsored conference January 29th in Calgary.

"Agriculture-Industry, the key to Alberta's future" is the title given to the one-day event, which will be jointly chaired by the Hon. R. S. Ratzlaff, Minister of Industry and Tourism, and the Hon. Henry A. Ruste, Minister of Agriculture.

Originally scheduled to be held in Edmonton, location of the conference has now been changed to the Palliser Hotel in Calgary, starting at 9:00 a.m. on the 29th.

Roll up your sleeve to save a life...

Committee Named to Co-Ordinate Rabies Control

Hon. H. A. Ruste, Alberta's minister of agriculture, has announced that a Central Rabies Control Committee has been named to co-ordinate all rabies control work in the province.

He acknowledged that protection of humans from the disease is of primary importance. Rabies detection, diagnosis and control is the responsibility of the federal health of animals branch. But Mr. Ruste says the provincial goverment will assist by trying to prevent the spread of the disease by wildlife to humans and domestic animals.

Mr. Ruste said the provincial department of health has already made pre-exposure immunization available to veterinarians, wildlife officers, police and others whose work might expose them to direct contact with infected animals. He also noted that the provincial health department maintains a supply of serum and vaccines which are immediately available if required for treatment of individuals bitten by or exposed to rabid animals.

Based on experience and success of a rabies control program used between 1952 and 1956, the decision had again been made to try and control, and hopefully to eliminate the disease in its natural environment. This involved locating an infected animal and then eliminating others of the same species within a certain prescribed radius. This type of control does not mean massive slaughter or complete depopulation. If, for example, an infected skunk was located in a given area, effective control could be achieved by eliminating all other skunks within a three mile radius of the carrier.

Initial efforts are being directed to those areas where rabies has been identified with coyotes and where municipal coyote control programs now exist. Here a major effort will be made to reduce or eliminate further spread, and to make recreational areas safe for the public next summer.

The provincial cabinet will make the necessary funds available for an expanded program involving the fish and wildlife branch of the department of lands and forests, as well as the department of agriculture's pest control branch and veterinary services division.

In general, the department of agriculture is accepting responsibilities for agricultural areas, and lands and forests for forest regions, parks, campsites and recreational areas. Close co-operation will ensure an integrated program.

NEWS NOTES FROM THE D.A.

THE BEGINNING OF A NEW YEAR

What goes through a producers mind as he contemplates another new year?

To some the new year simply means that, with any luck it will be better than the last. This type of individual hopes that prices will be better, that it will rain more, hail less, produce fewer weed and insect problems and bring numerous other improvements over the old year. In short, he tends to take the view that solutions to his problems are tied to conditions over which he has no control. Hence, he is often quite satisfied to repeat his production routine of past years, and to depend upon better conditions, for which he has no responsibility, to bring him greater satisfaction at the end of the year.

To other individuals, however, the beginning of another year means something entirely different. They recognize that it will bring many of the same problems that they have had to cope with in the past year, plus new problems and new opportunities. This is a realistic picture, and one that is taken by most-business-oriented farmers.

The alert manager, recognizes the material from which good management decisions are made. Although faith that the new year will be better than the old, and intuition, may be ingredients of management decisions, they are not enough in themselves. Good outlook information and production records are the basic ingredients of good management decisions.

Outlook information is available from several sources. The recent federal outlook conference proceedings is an excellent source of information. The outlook releases issued periodically by the Alberta department of agriculture are useful for up-dating long-term outlook information. Outlook information is intended to help the farm operator to keep up to date on changing conditions.

A review of the past year's production records provides more useful data, and researching on-the-farm information provides the basic information for developing business management controls.

Levels of production, costs of production, trends in production all reveal the performance of the business. Production areas that are shown to be strong can receive more emphasis, while those where problems exist require remedial action. In essence good management depends upon current, accurate information.

The progressive farm operator welcomes the challenge of a new year. Armed with good basic information he formulates management strategies to solve potential problems and to take advantage of opportunities which have been revealed.

The fact that a good year or a bad year occurs has an influence on business outcome, but the human input consisting of the skill, foresight and decisions employed by the manager are the real ingredients of success.

If you have any comments on this article or want information on our Farm Management, Beef R.O.P. or other extension programs, you may contact your D.A. at Sekura's Auction, Wednesday Afternoons.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending January 9, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4600	3000	1600	3650	45
Last week	1437	950	487	1980	568
Same week (1970)	7174	3292	1882	2630	235

SUMMARY

Receipts for the first week of the new year were unusually light, partly on account of subzero conditions early in the week and icy road conditions as the week closed. Offerings of slaughter classes of steers and heifers were also limited with sales being mostly replacement classes and cows. Trade opened active on slaughter classes at strong prices mainly due to a shortage of killing kinds locally. With lower prices elsewhere butcher prices declined as the week advanced with choice steers closing 1.00 lower, butcher heifers 50 - 75 lower, and good butcher cows a full 1.00, lower grades of cows 50 lower. Bulls were firm to 50 higher. Veal 2.00 - 3.00 higher. Feeder steers were generally 1.00 lower for the week, especially short keep kinds. Butcher hogs about 2.00 lower.

SLAUGHTER CATTLE AND CALVES

Monday's sales of choice steers topped 31.00, which was the highlight as for choice steers, closing sales for choice handyweights, which were very scarce, were mostly in the 29.50 - 30 range. Butcher heifers opened the week strong with choice kinds selling to 29.30 but prices fell off as the week got underway to close at a practical top of 28.50. Butcher cows were in fairly liberal supply throughout the week. Prices opened steady with the odd sale over 20.50 for good kinds but were off a full 1.00 as the week closed. Lower grades of cows were mostly 50 lower under close sorting. Bulls held firm to 50 higher. Veal and butcher calves continued scarce selling $2.00 to $3.00 higher.

REPLACEMENT CATTLE AND CALVES

Replacement classes of yearlings and heavier steers were in fair supply and sold mostly 1.00 lower in line with lower slaughter prices. Stock calves have been generally steady for the past three weeks. A few of the heavier 550 lb. weights were closing slightly lower. Light weights up to 400 lbs. were in short supply at fully steady prices.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East, 33 feeders. Export, 8. Feeder shipments to southern Alberta areas 210.

Good boars 75 cents higher at 7.75/cwt. 880 feeder hogs sold Tuesday and Thursday afternoon ranging from 18.50/cwt. for 100 lb. feeders down to 15.10/cwt for heavier kinds. Weaners and light feeders sold by the head from 6.25 each for weaners to 17.25 each for 85 lb. feeders.

SHEEP AND LAMBS

A few butcher lambs sold on a rail grade basis. Local plant closing quotes for good handyweight lambs 25.00/cwt. live.

Choral Development Program Planned

The Provincial Secretary's Department, Cultural Development Branch, Music Division, will be presenting a Community Choral Development Program beginning Tuesday, January 26th and ending Tuesday, March 30th.

This will be a ten week program, with one session per week, each session commencing weekly at 8:00 p.m. The fee will be $10.00.

During the rehearsals, the Director will give helpful information on topics such as rehearsal technique, vocal production and music interpretation.

The program is open to all interested in this type of exploration in music making, while at the same time enjoying the communications with other members of the community. Additional information can be obtained by contacting Mrs. Eleanor Pickup at 4904 - 52nd Aveneue, or phone 542-3096, Drayton Valley.

New Year's Message From Evansburg Mayor

The Christmas season and the year-end affords me the pleasure and opportunity of expressing to all, my sincere appreciation for the help and encouragement I have received over the past 12 months.

The success and accomplishments of Evansburg is attributable to its residents as well as all its many supporters from the district. Their continuing patronage is greatly appreciated.

I would like to take this opportunity to thank the many groups who have worked so hard, either directly or indirectly, in assisting our village and making it the ardent community that it is. These include: The Recreation Board, The Volunteer Fire Dept., The Arena Committee, The Historical Society, The Chamber of Commerce, The Kinsmen Club, The Kinette Club, The Community League, The Canadian Legion, The Ladies' Auxiliary, The Elks, The Royal Purple, The Teen Club, The Organizations and Church Groups who participated in Pembina Valley Daze, and particularly all those who are working with youth.

To our Municipal employees, I thank you for all the work you have done in the past year, you have been generous and unstinting in your dedication. To my peers on Council; G. Lorenz, F. Croft, C. Bjornstad and J. Lauer, my thanks for your tolerance and kind assistance.

Finally, I wish all the citizens of Evansburg and District, compliments of this wonderful Christmas season and may the peace and joy you experienced at Christmas remain with you throughout 1971.

GUY DOMPNIER, Mayor
Village of Evansburg
